Sorry for any repeats, but just in case my teams message doesn't go through (as it seems to be really bad this afternoon), give me a call whenever you want to talk about tetra (or we can discuss at the 4:00 napro mtg). I have not looked at tetra since Christina resent it yesterday.

I'm waiting for a new version to get sent to the team and then yes it would be good to get your eye on the eco/bee stuff.

Do you need me to review any parts of the aldicarb decision doc?
